This image shows a sheet of guitar tabs from TABS PLUS. The sheet is divided into two halves by a central vertical line. On the right side, there are 16 rows, each numbered from 2 to 16. Each row contains a horizontal line representing a guitar string. The tabs are arranged in a staggered pattern, with each row starting further to the left than the one above it. Each tab segment consists of a horizontal line with a small vertical tick mark indicating a fret position. The tabs are designed to be cut out and used as a guide for playing guitar.
